SENATOR DIETRICH.

Senate Declares Him Not Guilty
of Wrongdoing.

They Found That He Had Not Violated the Statutes of the United States Nor Any Corrupt or Unworthy Conduct.

Washington, April 15.—Senator Dietrich, of Nebraska, has been declared by a special committee of congress to be not guilty of any violation of the statutes of the United States or of any corrupt or unworthy conduct relating either to the appointment of Jacob Fisher as postmaster at Hastings, Neb., or the leasing of the building in that city to the United States for a post office. The committee which investigated the charges against Senator Dietrich was composed of Senators Hoar, Platt, of Connecticut, Spooner, Cockrell and Pettus. Three members of the committee are republicans and two democrats. The report is unanimous.

The report reviews the testimony at length and the conclusion is reached that the charges can not be sustained. The committee, with reference to the lease of the building at Hastings, finds that it was effected while Mr. Dietrich was governor and before he became senator, that it extended for ten years and that the law governing in such matters was not violated. The report says the committee admitted not only such evidence against Senator Dietrich "as would have been competent in a court of justice, but also a great deal of hearsay testimony, being all which was brought to the attention of the committee as a possible clue to further information."

This course, it says, was taken with the consent of Senator Dietrich and it is stated that the committee "did not determine how far this proceeding would have been justified for any reason, without such consent, even if they had carefully refrained from attaching any weight to it in their final decision. But it, in fact, did not in the least tend to shake or affect the conclusion they have reached."

THE WESTERN MINERS.

It Is Believed Their Strike Will Be Called Off Next Month.

Telluride, Col., April 15.—Adj. Gen. Bell, who is enforcing martial law in San Miguel county, expressed the opinion Thursday that the convention of the Western Federation of Miners which is to be held at Butte, Mont., next month will call off the strike here or give the miners authority to do so. "I am reliably informed," said the general, "that at the next convention the power vested in the executive board by the last convention to call strikes, will be annulled, and that in the future no strikes can be ordered except by referendum vote of the members."

LARGE GAS MAIN BURST.

The Lives of Thousands Were Endangered By the Accident.

Mt. Vernon, N. Y., April 18.—The bursting of a large gas main Sunday night has placed this city and Pelham in a situation of great peril. The accident befell the West Chester Lighting Co., which furnishes gas to these places, as a result of which the gas went out for a time and then started up again, pouring out its poisonous fumes in homes when nine-tenths of the residents were asleep. Police and firemen were hurriedly summoned and they made a rapid house to house canvass, notifying the householders of their danger. Bells were rung and whistles shrieked to spread the alarm. Telephones were called into requisition but the greatest danger is to those who live in outlying districts where it has been impossible to reach.

THE STRIKE IN COLORADO.

It Will Be Investigated By the Executive Committee of the A. F. of L.

Denver, Col., April 18.—The quarterly meeting of the executive committee of the American Federation of Labor will begin Monday in this city and continue throughout the coming week. In addition to the 11 members of the committee and the clerical force, about 100 representatives of local unions affiliated with the federation will be in the city, the latter to present grievances to be disposed of by the committee. One of the most important matters to be considered is the coal miners' strike in Colorado.

A New Comet Discovered.

Geneva, N. Y., April 18.—Dr. William R. Brooks, director of the Smith observatory and professor of astronomy at Hobart college, discovered a new comet in Hercules, right ascension 16 hours, 58 minutes and 10 seconds, declination north 44 degrees and 10 minutes, with slow motion north-erly.

Does Not Want the Chairmanship.

Washington, April 15.—Several senators have discussed with Senator Elkins the advisability of making him chairman of the republican national committee. He emphatically asserted that he would not think of taking the place under any consideration.

Harvest Hands Scarce.

Chicago, April 15.—The states of Nebraska, Kansas, Missouri, Iowa, Minnesota, Oklahoma and South Dakota will have to import 45,000 men to assist in harvesting the wheat crop this fall.

FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH APPELLATE COURT OF KENTUCKY:—I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it became my duty to try a number of criminal cases, which have become a part of the State's history and at a most critical time. As Judge of the State Fiscal Court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new Constitution, as well as to construe the present Constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchise under law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.

Very respectfully,

JAMES E. CANTRILL.

FOR CONGRESS.

We are authorized to announce W. P. Kimball, of Payette county, as a candidate for the Democratic nomination for Congress from Seventh District, subject to the action of the district convention to be held in the city of Lexington on Thursday, May 12, 1904.

I am a candidate for re-election to Congress from this District, subject to the action of the Democratic party. I believe in getting as close to the people as possible, and it was my desire that a primary election be held to select a Democratic nominee for Congress, so that every Democrat could have the privilege of going to his precinct voting place and expressing his choice, but my opponents desired mass conventions at the county seat, and the committee so ordered.

I am now serving my second term as your Representative. I have endeavored, to the best of my ability, honestly, faithfully and conscientiously to do my duty. It is my highest ambition to secure legislation for the relief of the farmers, who have been so grossly imposed upon by unjust laws, and I feel that my experience has fitted me to render valuable service on this line. If I am permitted to continue to represent my District.

My official duties in Washington will prevent me from making an active personal campaign in all the counties of the district, therefore, I will have to rely on my friends to take care of my interest, which I have an abiding faith they will do. Trusting my service as a member of Congress meets with your approval, and hoping my candidacy will receive your valuable aid and support, I am Very respectfully yours,
